1 printing would go off just right. And I wish we
2 could have got it out sooner, I really do, but
3 like I said, it was a lot of man-hours.

4 Q What did the -- what, if anything, did the
5 Election Division do with the countywide mailing?
6 What are some things that they did to help?

7 A Oh, to help? Told me everything I needed to know.
8 Essentially, I leaned on them 20 times a day to
9 make sure that, you know, what I was doing was
10 right, it wasn't going to come back to me and get
11 thrown out. My worst fear, I guess would be doing
12 an entire mailing, marking 8,000 people inactive
13 and then finding out that I did something wrong
14 and that I had to make them active again. So I
15 leaned on them a lot, because, you know, we always
16 hear horror stories.

17 Q What are some -- well, I guess that's also what
18 I'm kind of wondering about. What is the horror
19 story? What are some of the things that you're
20 most concerned about getting back an inactive?

21 A Yeah. Marking them incorrectly inactive if I
22 didn't follow the correct A-B-C.

23 Q Were you ever afraid of disenfranchising anyone?

24 A Yeah. Oh, yeah.

25 Q And why were you concerned about that?
